

Equipping Servants: Disciples Making Disciples

James Update Sept 2024

Finally, brothers, pray for us that the Word of the Lord may speed ahead and be honored (2 Thessalonians 3:1—ESV).

Purpose: Equipping Servants/ Disciples Making Disciples

to help local church pastors and leaders grow in Christ by studying the Bible to experience gospel transformation

We had a wonderful week in Cairo with 100 Egyptian (Streams of Living Water) teachers — leaders of 17 church-planting training schools. Many expressed how encouraged and helped they were spending time reflecting on God’s Word together. Because of the sensitivity of the work, we will not include photos, except of pastor Dan Larison, Debbie and I traveling to Egypt to lead the retreat

We hear encouraging reports from the local church pastors and leaders in London who have started 3 Equipping Servants/Disciples Making Disciples groups. Pray as they study the Bible that the Lord will help them to see Jesus and the gospel clearly, experience deep gospel transformation, and that this will impact the way they teach and preach God’s Word faithfully.

We helped Elias and Paulo (our Brazil and Africa Equipping Servants coordinators) to lead a Facilitator Training in Portugal last week. Many expressed how the time together studying Romans 1-3 challenged them to make a commitment to study the Bible. Pray as they plan to start 3 new Equipping Servants groups in Lisbon, that they will honor Christ by being faithful to His Scriptures. **Photos:**
