

June 2024

Dear Friends,

In May our family came together to attend Beth's graduation from Westminster Theological Seminary in PA. She is thankful to have her Masters in Counseling and will continue to counsel women God brings her way. It was special to have Kelly, Katie and Anna come from their various locations to celebrate with us!

Also in May, I visited Serbia where I spent time with ministry partners and preached at First Baptist Church in Belgrade. Pastor Dane (below in red) faithfully pastored the church for many years and they are now looking for a new pastor. Ambassadors ministry continues to grow with Rale and several volunteers using the platform of soccer to serve churches with mostly Roma people.

I also went to Croatia and was encouraged to see how the Lord is using Momir (below with another pastor and me) and other pastors and church leaders in this soccer-strong country to share the gospel. Pastors from Zagreb, Osijek, Cakovec, Zadar, Varazdin and other Croatian cities came together to plan summer camps for children and adult ministry projects.

Please keep summer ministry throughout Europe in your prayers. Plans include a men's soccer team tour from Ireland to Senegal, a ladies team tour from Holland to Slovenia and Italy, and dozens of camps taking place in the UK, N Ireland, Holland, Spain, Croatia, Serbia, Albania, and Czechia.

Thank you for your partnership with us, and your support, prayers and friendship. We treasure you and thank God for your faithfulness!

Much love,  
Goran & Beth
